HOUSTON, TEXAS – Houston-based marine engineering firm, Zentech Technical Services Incorporated (Zentech), has signed a MOU with Crystal Offshore Middle East. The MOU was signed on the 17th of August 2023.

We are pleased to announce the signing of a Memorandum of Understanding between Crystal Offshore Middle East and Zentech creating an engineering partnership for shipyard project related engineering.

“Zentech has a great track record of working with Shipyards globally in the Middle East. We are delighted to add Crystal Offshore, as well, and look forward to jointly delivering projects combining their expertise in Shipyard related construction with our provision of engineering, and project management services,” said **Ramesh Maini**, CEO of Zentech.

“We are very happy to enter this partnership agreement with Zentech. The 100% project success rate and track record of Crystal Offshore is the reason we prefer to work with top-level companies such as Zentech. This agreement will enable us to multiply our engineering capabilities utilizing the extensive experience held by Zentech in areas of engineering design, engineering studies and project management, strengthening the
