# ZENTECH SELECTED as FINALISTS for 2 AWARDS World Oil Awards 2015

HOUSTON, TEXAS – Zentech is proud to announce being selected as a Finalist in two (2) categories at this year's 14<sup>th</sup> Annual World Oil Awards Banquet being held on October 15, 2015 in Houston, Texas.

Zentech has been carefully selected among top companies in the industry, by an Expert Panel consisting of some of the best minds in the Oil and Gas field. As a Finalist among the very best competition, Zentech competes in:

**Best Drilling Technology Award:** R-550D Jack-up Drilling Rig  
**Innovative Thinker Award:** Ramesh K. Maini, President

“It is an honor just to be nominated,” says President of Zentech, Ramesh Maini. “However, these awards are about our entire company and the ‘above and beyond effort’ each of our team members puts forth every single day. I am happy for the company as a whole.”

Tickets are available for the World Oil Awards Gala through World Oil Magainze via their website at [www.worldoil.com](http://www.worldoil.com).

Zentech is a Houston based marine engineering and naval architecture consulting firm specializing in the offshore oil and gas and renewable energy industries. The Company has a thirty-five year history of providing innovative engineering solutions, and employs a professional staff of over 160 in six

international locations. Zentech's expertise encompasses dynamically positioned semi-submersibles, drillships, jackup drilling units, barges, fixed offshore platforms, fabrication yards, floating production systems, risers and pipelines.
